

Number of Masks: _____

These masks were sewn with love by _____
as part of the Tieks **#SewTOGETHER** Challenge. We hope they
help keep you safe during this time!

Before using any homemade masks, we recommend washing with
hot water using soap or detergent and allowing to hang dry. If you
are in need of more masks, please nominate your facility at
tieks.com/sewtogether. The Tieks community is donating masks
to front-line workers and would love to accommodate as many
requests as possible.

Thank you for your service and sacrifice, and stay safe!

♡, The Tieks Family

P.S. We'd love to see a photo or video of you in your masks to
help inspire others to sew with us! **#SewTOGETHER #Tieks**
